All Done

Cut out here. Print both sides, it should align and fold. Laminate. Cut each line between the "All Done" boxes. Affix picture with Velcro. Use Velcro on the left edge of folded "All Done" to close the box (activity).

To assemble the Visual Schedule:

1. Print double sided
2. Cut around the outside edges of the green box to include the white rectangles.
3. Cut out the column on the Left to include the white boxes that are divided and red checkmark box
4. Fold the green All Done boxes to the Left
5. Laminate
6. Cut the lines between the green All Done boxes.
7. Attach a narrow piece of Velcro on the white edge of the red checkmark boxes and on the inside edge of the green boxes, to the flap closes and attaches shut.
8. Attach Velcro in the center of the white to attach pictures of each element of the schedule.
