ECHO: Challenging Behavior in Elementary Classrooms

Kelly Schieltz
Hub Lead
The University of Iowa

The image is a slide with a white background and a yellow triangle in the bottom-left corner and a dark grey bar at the bottom. It features logos for 'autism care network' and 'autism speaks' on the left, and the 'ECHO Autism Communities' logo and 'Project ECHO' logo on the right. The main title 'ECHO: Challenging Behavior in Elementary Classrooms' is centered in a large, bold, black font. Below the title, the presenter's name 'Kelly Schieltz', title 'Hub Lead', and affiliation 'The University of Iowa' are listed. There are also red and teal L-shaped corner markers in the top-left and top-right corners.

2

ECHO: Challenging Behavior in Elementary Classrooms

- **Goal:**
 - To increase elementary educators/specialists' knowledge and practice of addressing challenging behavior displayed by students in the classroom/school setting
- **Objectives:**
 - Consider potential functions of challenging behavior
 - Consider other potential causes of challenging behavior
 - Identify and implement behavior strategies at the class-wide and individual level to address challenging behavior

3

Target Audience

- Elementary educators
- Elementary specialists

4
