

- Where do you see your child/youth as an adult?
- What are your child's/youth's hope and dreams for their future?
- Do you have goals set for your child/youth?
- What things need to happen in order for your child/youth to reach their goal?
- What skills does your child/youth have and what skills will they need to acquire?
- Are you helping your child/youth learn how to advocate for themselves?
