

Going To The Dentist

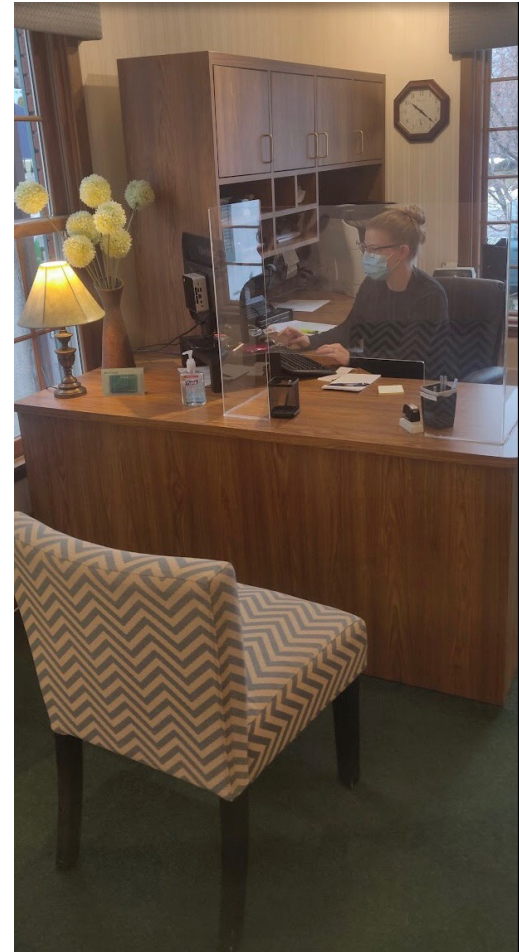

I am going to the dentist!

2

First, we will drive to
the dentist office.

3

Then, we will go inside
and check in.

4

We will sit down and wait in the waiting area.

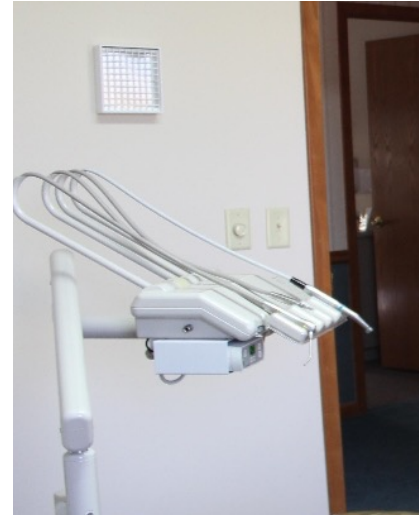

5

When it is my turn, we will walk down the hall.

Next, we go into an exam room.

I might see a lot of tools for cleaning teeth.

They might turn a special light on to see my teeth better.

Now it is time to open my mouth so they can see my teeth.

The hygienist will
clean my teeth with a
special tool.

Then, they will floss
my teeth.

After that, the dentist
will come in and look
at my teeth.

Then, I am all done
and can say goodbye!
